

# GREATER LAFAYETTE AREA SAFETY COUNCIL

*PO Box 5674, Lafayette, In 47903*

A membership organization for  
those responsible for safety.

*Established 1980*

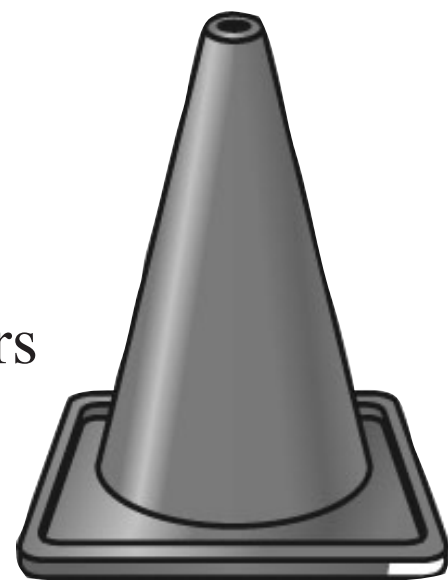

**GLASC**

The Greater Lafayette Area Safety Council was organized in 1980 to bring area safety professionals together to share information. Our first annual occupational safety and health workshop was held in 1985. Today, the Greater Lafayette Area Safety Council is recognized as a leader among professional organizations for its activities and membership benefits.

## *Our Mission*

Helping you with the day-to-day challenges of your job is our job. As a membership organization of area safety representatives, the mission of the Greater Lafayette Area Safety Council is to:

- Develop professional relationships among members
- Facilitate a free exchange of information
- Provide a forum for solving mutual problems
- Promote a pro-active approach to safety issues

*Are you a Human Resource or Safety Professional involved in seeking safety solutions for your business? Join us at our monthly meetings held the second Wednesday of each month. Meetings and topic are posted on our website [www.glasc.org](http://www.glasc.org)*

**GLASC**

## **REAP THE BENEFITS OF MEMBERSHIP**

As a member of the Greater Lafayette Area Council, you'll tap into a network of safety professionals from manufacturing, construction, education, utility, health, government and other sectors.

**YOUR BENEFITS INCLUDE:** Assistance determining and understanding the OSHA regulations that apply to your company and workplace; Alerts on proposed regulation changes; Implementation and compliance information when regulations do change; Access to the Safety Council's resources and activities; Safety, educational and professional development seminars; Reduced fees for GLASC - sponsored events; Advertising space available on GLASC website; Networking opportunities among safety professionals; Opportunities to address safety issues and problem solving.

**Tap Into The Safety Network:** As one responsible for safety, you're charged with knowing, understanding and assuring safe working practices at your workplace.

That's a tall order. Learning from and networking with others who face similar challenges can make your job easier. And that's just the beginning of what you get when you join the Greater Lafayette Area Safety Council.
